Tips to protect yourself from Auto Theft

IF YOU SEE SUSPICIOUS ACTIVITY/PERSONS OR ANY AUTO
CRIME IN PROGRESS,

PLEASE CALL 911 IMMEDIATELY.

IF YOU ARE A VICTIM OF AUTO CRIME

PLEASE CONTACT YOUR LOCAL RCMP DETACHMENT.

PEACE REGIONAL RCMP: (780) 624-6611

Look before you leave

Next time you park, look inside your vehicle and see what tempting items you might have left in plain sight:

- Loose change/cash, wallets, ID.
- Shopping/sport bag and equipment.
- CDs, sunglasses and/or other valuables.
- iPods, stereo faceplate, MP3 players and accessories.
- Keys, garage door opener.
- Coats and blankets.

If these items are easily seen within your vehicle, then you may be a target for auto crime.

Parking tips

Closing your windows and locking your doors is the first step to prevention:

- Purchase and install an anti-theft device. Advertise your use of the device with a decal on your window.
- Purchase a steering wheel lock from your local AMA centre.
- Lock glove compartments and consoles.
- Use hitch pin locks when your trailer, etc. isn't connected to your vehicle to prevent other people from connecting their vehicle to it.
- Place an "All Valuables Removed" placard in your window to tell would-be thieves you have nothing of value in your vehicle. Get your free placards at any AMA centre.
- Remove all items, including garage door openers, spare keys, insurance and registration papers from the vehicle prior to leaving it unattended - **Leave nothing in sight.**
